We hereby inform and remind you that as from the Prague Congress (August 2014) a number of National Representatives and Contact Persons will be stepping down, be it because of the end of their three-year term, be it for other reasons.

Any active member of AIJA is eligible to present his/her candidature for the respective position of his/her country. You must not have reached the age of 45, you must have paid your annual membership fees and present an action plan on how you intend to develop membership within your country and your AIJA experience.

The position of National Representative or Contact Person gives a lot of visibility within AIJA and to the outside, and we encourage you to take the challenge and assume the responsibility. However, we highlight that it involves a commitment to hard work within your jurisdiction and presence at the Membership Forum meetings that take place during the Annual Congress, and both half-year Conferences.

Please send your application with your action plan **by 9 June 2014** to the attention of the Co-Chairs of the Membership Forum:

Renata Antiquera: rantiquera@dvwca.com.br

Pablo Pedrajas: ppq@abdonpedrajas.com

The following positions will be open as of the Annual Congress 2014:

National Representatives: Belgium, Czech Republic, Estonia, Hungary, Ireland, Israel, Italy, Latvia, Lithuania, Mexico, Netherlands, Norway, Peru, Portugal, Slovak Republic, Switzerland, Turkey, UAE, UK, Uruguay

Contact Persons: Cyprus and Tunisia.

We also have many countries without a current Contact Person. We encourage you to check the [AIJA website](#) and, if the position is vacant, you may candidate yourself.
