## INNOVATIVE DINING

### Lobby Lounge

Enjoy Hong Kong-style comfort food in a breezy lounge setting with spectacular harbour views and a cool outdoor space. The drinks menu will feature Asian-inspired cocktails and unique Hong Kong flavours such as Yuanyang and Silk Stocking tea, hot ginger lemon coke, infused iced teas and milk soda.

### Big Bay Café

The All Day Dining restaurant invites guests to embark on a journey of gastronomic moments with a matrix of pavilions that are dedicated to authentic cooking methods. The dining venue also offers an extensive alfresco terrace against the city's waterfront backdrop.

### Hung Tong

The restaurant offers a contemporary Chinese menu at a setting that draws guests back to the heritage of Hung Hom. It will be an alluring experience of juxtaposing modern dishes against traditional finishing of raw mud bricks, vintage-inspired leather chairs and tinted glass pendants. Hung Tong is connected to a bar and expansive open terrace overlooking the entire Hong Kong skyline.

### Red Sugar

Connected to Hung Tong is the Red Sugar bar, a venue for the senses which features an extensive 270-degree wrap-around terrace with sweeping views of Victoria Harbour. Guests will feel a world apart from the bustling city as they are absorbed in industrial and historical setting, captivated by the live entertainment and impressive selection of original drinks created by award winning cocktail master Joe Villanueva. Guests can also enjoy an extensive beer menu from local breweries and savoury snacks made to order from the kitchen.
