ELSA provides opportunities for law students and young lawyers to learn about other cultures and legal systems in a spirit of critical dialogue.

Student Trainee Exchange Programme

STEP is a trainee exchange programme that enables law students and young lawyers to gain first hand experience of the substantive and procedural law as well as the culture of another country. The Student Trainee Exchange Programme of ELSA offers your office the opportunity to have highly qualified law students from all over Europe as trainees. The traineeship can vary from 2 weeks to 24 months and can take place in any law related area.

Participation in STEP is a very simple and effective way of attracting young, internationally minded lawyers from 41 European countries. Having a STEP trainee working in your company is an investment for the future.

Our Members and STEP

Every five years ELSA conducts market research amongst our members. The results of the market research conducted in 2012 show that ELSA Members mainly join the organisation for its international aspect. Thus, our members are more internationally minded than the average law student and as such likely to continue their education or career abroad.
