Double seminar: T.R.A.D.E. & Labour Law Annual Conference

The T.R.A.D.E. Commission will hold a seminar based on current hot topics in cross-border and international operations, such as the distribution through on-line platforms or the latest news on commercial and unfair practices.

The Labour Law Commission is preparing a programme focused on current hot topics in international and cross border labour and employment law.

The event will be supported by the Slovak Bar Association and this will be a great opportunity to meet young lawyers from Slovakia and the region beyond.
